Interfund International Securities New Economy

Sub-Fund of Interfund Sicav (ISIN LU0109671478)

Management Company: Fideuram Asset Management (Ireland) dac, Intesa Sanpaolo banking group

OBJECTIVES AND INVESTMENT POLICY

The Sub-Fund, expressed in Euro, aims to obtain a positive return by investing at least 60% of its net assets in stocks or other similar transferable securities of companies being able to profit from technological progress and innovation, namely those which predominantly make use of technology in the development of new products and manufacturing processes or in their improvement, or are able to obtain high growth rates, due to innovative methods and products.

The sectors meeting the requirements at the present time are: media, biotechnology, Internet software and its services, data processing consultancy, software, communication equipments, computers and its associated products, electronic equipments and instruments, office automation, semiconductors, telecommunication services and cellular phones.

The Sub-Fund may use financial derivative instruments not only for the purpose of risk hedging but also for investment purposes.

The benchmark of the Sub-Fund consists of the index "MSCI World" Price Return in USD converted in EUR currently limited to the sectors "Health Care", "Information Technology" and "Communication Services".

The Sub-fund is actively managed and the degree of freedom allowed within the management of the sub-fund is limited. The relative risk and positioning to the benchmark is monitored. To provide a disciplined management approach, risk limits are set to contain investment risk. This may impact the extent to which the composition of the portfolio and its performance deviate from that of the benchmark.

This is a capitalization Sub-Fund.

You may redeem the shares held at any moment, by sending a request on any business day.
